Questify

Turn every event into an adventure.

Quests, points, a live leaderboard and real prizes, for any event, in Arabic and English.

Scan · Score · Climb · Win

What is Questify?

Questify turns any event into a game. Attendees play on their phones. Organizers run it all from one dashboard.

1

Scan QR codes

At stages, booths and corners of the venue.

2

Finish challenges

Quizzes, votes, photos and booth games.

3

Earn points

In the event's own currency, the moment a quest is done.

4

Climb the ranking

Live on every phone and on the big screen.

5

Redeem real prizes

Picked up at the prize desk on the day.

Organizers run the game

Build

Quests, rewards and prizes, in Arabic and English.

Open the doors

Players join with a code, a QR poster or a link.

Run it live

Flash quests, double points and announcements.

Give prizes

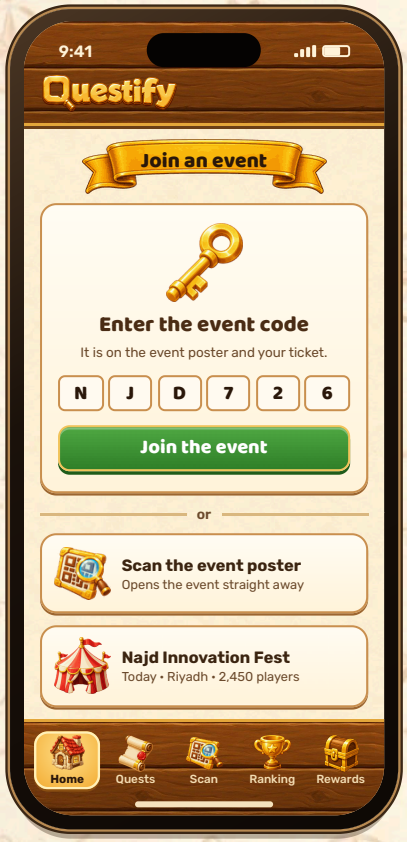

Every prize checked at the desk and on record.

Quest types

- Scan a QR code
- Challenge
- Photo or text
- Vote
- Quiz
- Enter a code
- Meet someone
- Mini-games

The player loop

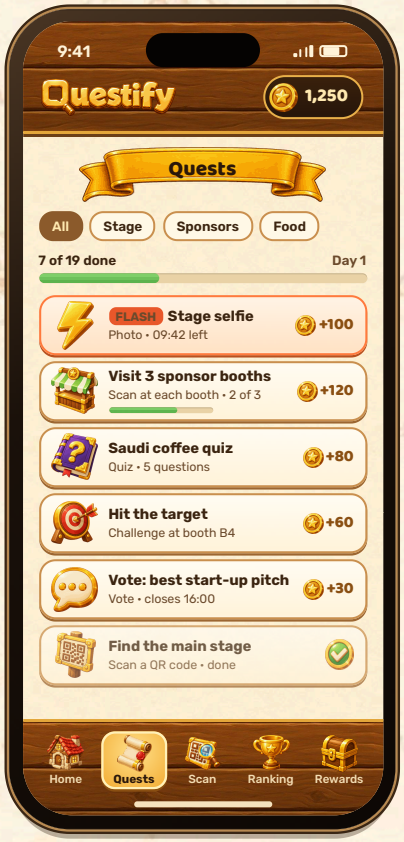

How Questify brings an event to life: join, play, score, climb, collect.

1

Join with a code

Type the event code or scan the event's QR poster.

2

Pick a quest

Scan, quiz, vote, photo, booth challenge or flash quest.

3

Scan and score

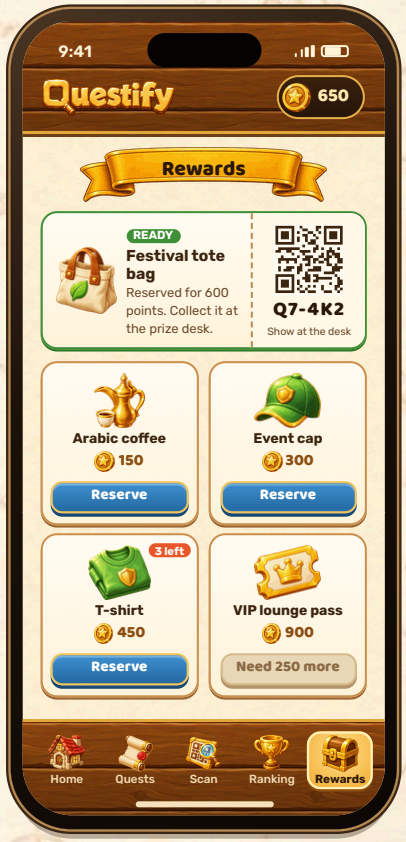

Points land the moment the quest is done.

4

Climb the ranking

A live leaderboard keeps everyone moving.

5

Collect the prize

Reserve a reward, pick it up at the prize desk.

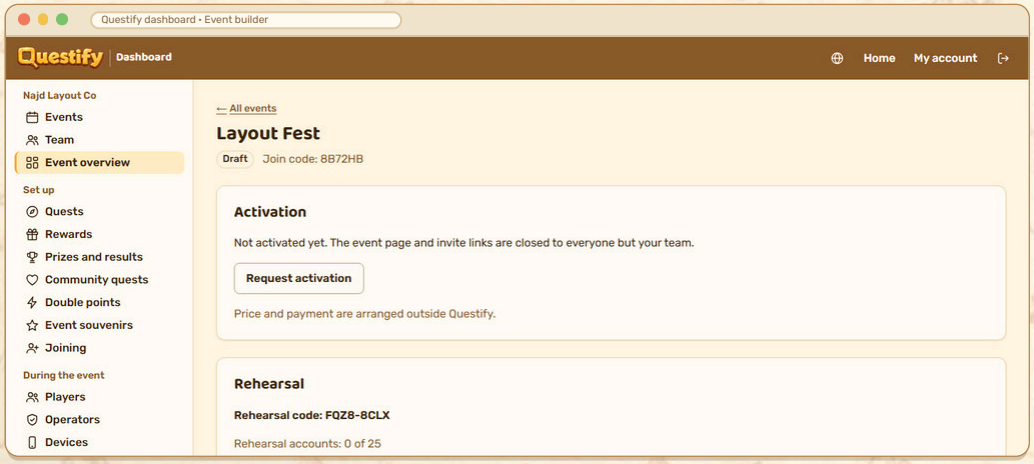

For organizers

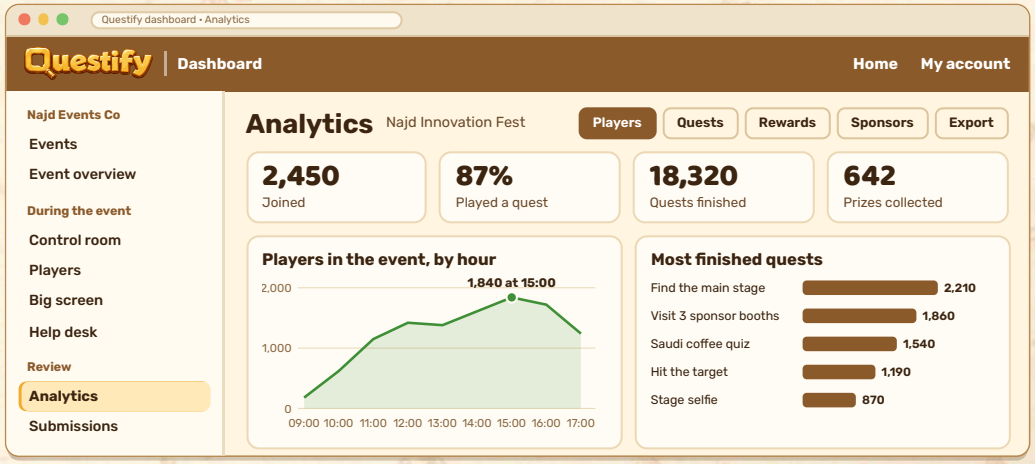

Live control room Watch every scan as it happens. Launch a flash quest, double points or an announcement in one tap.

Big screen The live ranking on any TV, opened from a link.

Event builder Quests, rewards, prizes, joining and features, in two languages.

Analytics Who joined, what they played, where they stopped.

Made for every event

One app, any organizer: **the quests, words, prizes and look change with each event.**

Conferences

Pull people into sessions, talks and the expo floor.

Festivals

Turn a big site into a treasure hunt, zone by zone.

Campus events

Orientation weeks and open days that students finish.

Corporate days

Team quests that mix departments and break the ice.

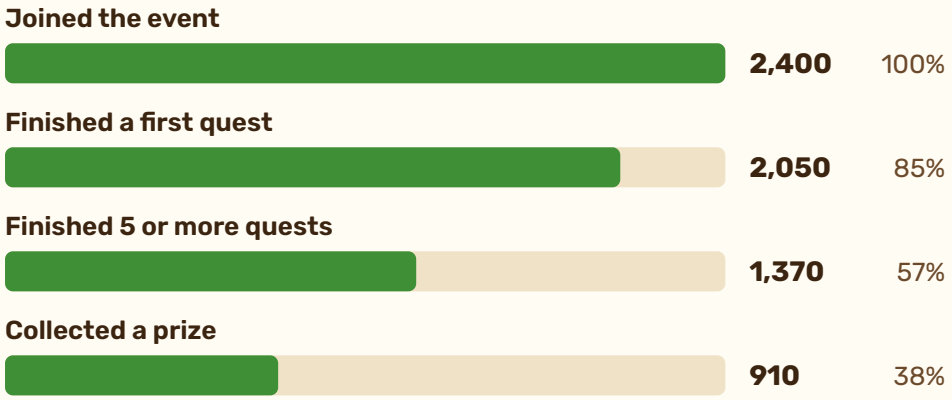

Exhibitions

Send visitors to every sponsor booth, and count the visits.

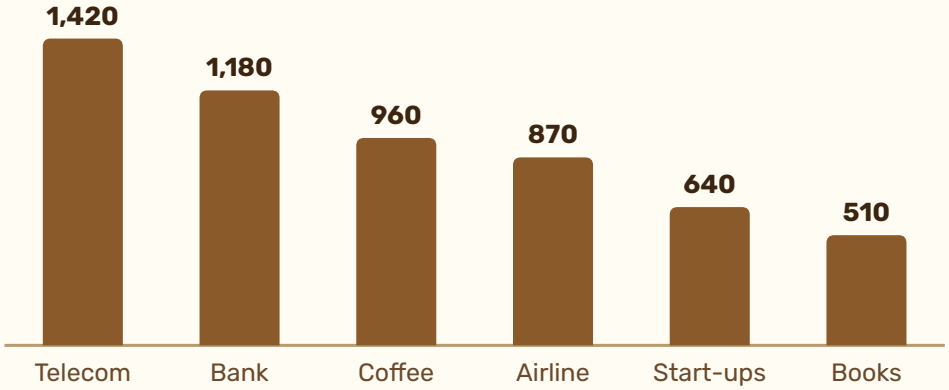

Engagement funnel

How far players go, one-day festival

Sponsor booth visits

Quest check-ins per booth, one day

What organizers get

Engagement

People explore more, play together and stay longer.

Sponsor value

Booth visits and branded quests that sponsors can see in numbers.

Insights

Live counts during the event, a clear picture after it.

Multi-language

Every event runs in Arabic and English, with right-to-left done properly.

Let's turn your next event into an adventure.
